Three candidates have taken out papers at the office of the Town Clerk in the past week as candidates for Assessors.

Included were local boulder

Testimonial For Retired Police Sgt.

A Testimonial will be held for Charles Scannell, sergeant on the Arlington Police Force, Jan. 25 who retired after over 40 years of service with the local department.

The event will take place at the Elks Home, Pond lane, beginning with a social hour at 6:15 p.m.

Sgt. Scannell became a permanent member of the Arlington Police Dept. on June 1, 1927, and was promoted to the rank of Sgt. April 3, 1951.

He retired as of January 3, 1967.

He was born Oct. 30, 1902 in Cambridge, and moved to Arlington in 1904.

He lives at 37 Yerxa road with his wife and family.

Information in connection with the testimonial may be obtained at the police station.

Werner A. Carlson, former member of the School Committee Charles R. Kent and William O. Hauser, Jr.

William O. Hauser, Sr., announced last week that he would not seek re-election in March.

Meanwhile, there was a change in the contest for Selectmen where there are three candidates seeking the two spots now held by John Billafer and Kevin Feeley.

Billafer and Feeley both announced in last week's papers that they would be candidates for re-election.

A third candidate seeking to oust one of the two incumbents is Bartholomew Colby, 38 Magnolia st.

Two candidates have taken out papers seeking election to the School Committee since this paper last came out on the news stands—both are incumbents—Carl Allen and Mary Porteus.

Previously, E. Albert Woodin, 18 Highland ave., had taken out papers seeking the same office.

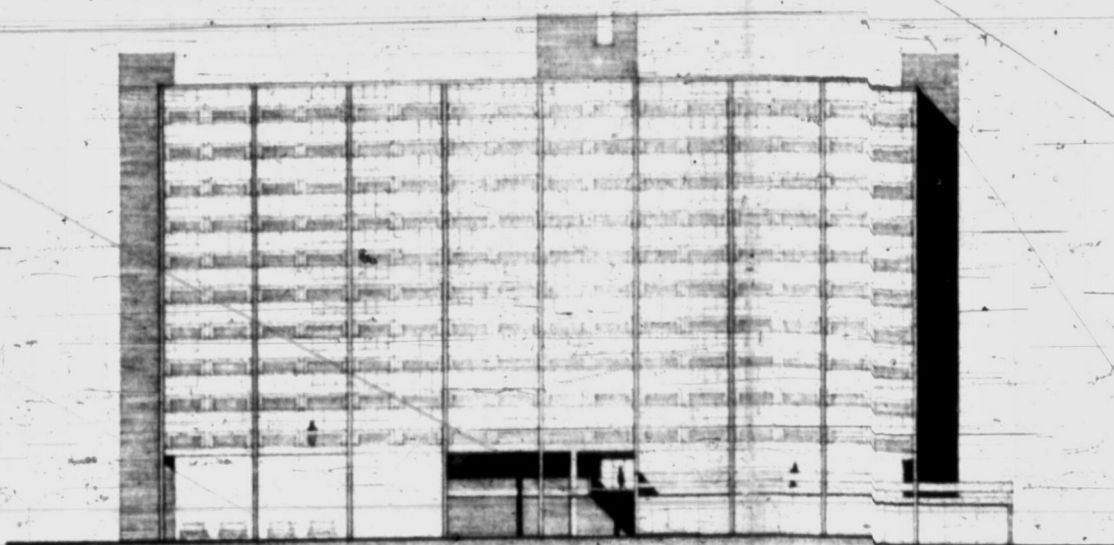

Lt. Brennan Recuperates At Home

1st Lt. Francis X. Brennan son of Mrs. James J. Brennan, 77 Beacon st., is home on a 45 day leave following hospitalization for wounds received in Vietnam.

During fighting in the Central Highlands between the 1st Air Cavalry and the North Vietnamese regulars, Brennan took command of his unit when his Captain was killed by mortar shells. His 69-man patrol of the 25th Infantry division was reinforced by units of the Air Cavalry, flown in by helicopter. The action took place in the Ia Drang valley and Chu Pong mountain region when Brennan's unit was at

Bargaining

Collective bargaining for teachers is a fact—but school committees, taxpayers and the teachers themselves are now learning how to handle it.

On Channel 2 and WGBH-FM Saturday, Jan. 14 from 10 a.m. to noon and 2:15 to 4 p.m., nationally recognized educators and labor relations experts thrash out the answers to questions plaguing everyone involved in salary negotiations.

Not only the studio audience, but viewers at home, will have a chance to question experts, by phoning 868-2500 while the conference is on the air.

MAN IN BLUE

A policeman does his job, and sometimes a little more.

A young member of the Arlington Police Department Carl A. Grobel was on duty directing traffic in Arlington Center Monday when two women, aged 62 and 71 were injured.

Despite the cold weather, the "man in blue" took off his coat so that one of the women might use it to keep warm.

This paper was called about the act, and note was made that it had been observed and that several others had observed it too.

ARRAIGNED

Two Arlington youths were arraigned in Third District Court, Wednesday, in connection with a disturbance which took place last week in Arlington Center.

Arlington's School budget has been cut an estimated \$160,000 from the original request which was turned over to the Town Manager early last month.

The School Committee.

Court Case

The Court case relative to Revaluation is scheduled to be held at Middlesex Superior Court, today at 10 a.m.

The case has previously been postponed twice because of the illness of Town Counsel Joseph Purcell.

meeting in open session Tuesday night went over the many pages of the budget, checking final figures.

The original request was for \$5,897,000.

However, after several meetings with the subcommittee of the Finance Committee, the \$160,000 was cut.

Over \$100,000 of the total amount was cut from the maintenance section of the budget in connection with painting remodeling, etc.

The Committee has another meeting with the subcommittee in the near future.

At Winslow Parking Lot

Housing Authority Shows Plan For Development

Been Speeding

The police are prosecuting automobilists for speeding and failure to slow down and give a signal on Pleasant Street between Arlington Center and Belmont, particularly near the Massachusetts Avenue end of the street.

Look twice, if you don't believe this.

In the early days of the Automobile Legal Association, notices were mailed to ALA members advising them of police activities, new road rules and regulations, construction, detours, etc.

Recently, a number of these notices pertaining to various communities back in 1914 were brought to the attention of ALA.

The above notice was sent to ALA members in the Arlington area, and was dated Aug. 19, 1914.

Joint Meeting

A joint meeting between Arlington and Lexington officials was scheduled to be held last night in Lexington to discuss the Great Meadows.

The Arlington Housing Authority Monday night showed preliminary plans to the Board of Selectmen for a "high rise" housing development for the elderly of 150 units which would be constructed in the municipal parking lot off Winslow st.

The proposed structure would have ten stories with 15 units in each story.

The building would rise approximately 75 feet above the level of the parking area adjacent to the VFW Hall.

According to the plans viewed by the Selectmen there would be space for parking at the ground level at one end of the building, while a community room would be housed at the same level at the opposite end of the structure.

Above the level of the community room and below the first of the ten floors would be an open terrace with entrance leading to the level of the railroad track and the sidewalk at Mystic st.

The property on Winslow st. is now owned by the Town of Arlington.

It is the intent of the Housing Authority to insert an article on the Annual Warrant for the purpose land transfer.

To Insert Article

Selectmen will insert an article in the Annual Town Warrant seeking \$10,500 for the construction of a parking lot on Town property adjacent to the Robbins House.

The area to be used for parking for Town Employees will house at least 26 cars, possibly as many as 30 or 31.

Entrance into the lot will be gained through a location adjacent to the Junior Library Hall.

Exit will be gained from a point between the Robbins House and the barn.

Shrubbery will be planted in several sections of the area.

STEAL 50 WATCHES

Thieves made off with over 50 watches taken in a break at Swanson's Jewelers, Jan. 6, according to Arlington police.

Police reports go on to state that entrance was gained by throwing a rock through the front door of the store. The watches were taken from a locked display case.

Week of Prayer Planned Here Jan. 18 - 25

Arlington continues to be in the forefront of ecumenical activities as local clergy announce a "Week of Prayer for Christian Unity Services" from Jan. 18 through Jan. 25.

Churches of Catholic, Greek Orthodox and Protestant faith will be hosts for the services on seven evenings of that week.

All services will be at 7:35 p.m. and will be open to the public with the expectation that people and Clergy of all three major communions will attend each service.

The host churches are as follows: Wed. Jan. 18, St. Agnes Catholic Church; Thurs. Jan. 19, Pleasant St. Congregational Church; Fri. Jan. 20, St. Camillus Catholic Church; Sun. Jan. 22, Calvary Methodist Church; Mon. Jan. 23, St. Paul Lutheran Church; Tues. Jan. 24, St. James Catholic Church and Wed. Jan. 25, St. Athanasius Greek Orthodox Church.

The services will be approximately of three-quarter hour length, during which a Clergyman from the host church will bring a brief 10 minute sermon on Christian Unity.

Editorials

Of Home and Viet Nam

The Advocate usually writes its own editorials—about Arlington and Arlington people.

However, this week we are changing policy a bit and with the kind permission of the Burlington News, are reprinting an editorial which appeared in the Dec. 29 issue of that publication.

You will see why, when you read about the Murrys of Burlington, formerly the Murrys of Mt. Vernon st., Arlington.

Instead of ending this year and greeting the next with a lot of false joviality and a bunch of New Year's resolutions that we have absolutely no intention of keeping, we think it might be a lot more realistic and appropriate, as a kind of symbol of our times, to mention a letter we got this week.

It was from a soldier stationed in Viet Nam, SP4 James D. Murray, Jr., son of Mr. and Mrs. James D. Murray of 24 Prouty road, Burlington.

The letter said: "I just received the first issue of the Burlington NEWS. I would like to thank you very much for sending it. It keeps me informed of the news in Burlington and raises my morale knowing there are people who care enough about us men over here to do something about it. May God bless you and your staff."

We talked to his mother, who told us he was 20 years old, had spent 15 months in Korea, and then after only three months in the states, volunteered on August 1 for a year's tour in Viet Nam, even though his three-year enlistment would have been up in January! Why did he do it? "He felt that every fellow should serve over there," his mother stated. "Jim said that if he and fellows like him didn't go over there to fight, we might all be fighting in our own back yards one of these days."

Mr. and Mrs. Murray have another son, 19 years old, who enlisted in the Air Force and expects to go to Viet Nam in the next three months. He's cheerful about it, Mrs. Murray says. "He thinks it's better for him to go than a married man," she explained.

"It's awful for parents to have sons over there," said their mother, "but I'd rather have them than them standing on a street corner burning their draft cards."

Where do you boys get this kind of bravery? We don't know. Their father, however, was a flight engineer on B-17's during World War II, and was shot down three times over Africa. Honest Americanism and bravery seem to run in the Murray family, and that includes Mrs. Murray, who can speak proudly of her sons with only a tiny quaver in her voice.

We can think of several morals we can draw from all this, and any number of comments. But we'll quote from Jim's letter:

"... raises my morale knowing there are people who care enough."

Let's hope, as we enter 1967, that there ARE people who care enough. Plenty of them.

Births - Deaths - Marriages

According to statistics released this week by Town Clerk Ann M. Powers, the number of 1966 births, deaths and marriages recorded in Arlington each showed an increase from the preceding year.

Following is a comparative tabulation of vital statistics recorded during the past two years:

	1966	1965
TOTAL BIRTHS RECORDED	1209	1190
Males	606	572
Females	603	618
Born in Arlington	712	700
Residents	298	284
Non-Residents	414	416
Born out of Arlington—Residents	497	490
TOTAL MARRIAGES RECORDED	593	544
Residents	679	613
Non-Residents	507	475
Age of Oldest Groom	82	78
Age of Oldest Bride	70	71
Age of Youngest Groom	18	17
Age of Youngest Bride	16	15
TOTAL DEATHS RECORDED	684	619
Males	328	296
Females	358	323
Died in Arlington	455	432
Residents	333	332
Non-Residents	122	100
Died out of Arlington—Residents	229	187

The total amount of money collected by the department during the year and deposited with the Town Treasurer was \$19,487.10, which also showed an increase over the previous year of \$471.45. Included in the total amount was \$5,572.30 for conservation licenses and \$5,319.00 for dog licenses.

The balance was from fees for various types of certificates, financing statements, marriage intentions, pole location orders, miscellaneous licenses, renewals of gasoline permits and miscellaneous books.

To the Editor:

We, the undersigned, believe that we have here in our town of Arlington a man who easily deserves the "Doctor of the Year Award."

Over the past eleven years that we have had him as our family doctor, he has never failed through rain, snow, middle of the night, office hours, etc., to come to the aid of us and our children, the latest episode occurring only this past week.

Many of our friends, relatives and acquaintances can also testify to his dedication and tireless efforts in his chosen field of medicine.

Therefore, we would like to pay a little public homage to a wonderful man, William A. Dowd, Jr., M.D.

Sincerely,
Paul and Joan Sullivan

To the Editor:

"Now is the time to focus our thoughts and attention on future candidates for the offices of our Arlington School Committee."

Needless to say where the very future of our children is concerned, I do not believe there is a more momentous office to serve than that as one of our local School Committee members. Every policy every decision and directive large or small issued by this committee will in some way reflect on the future of our sons and daughters. Therefore it is of the extreme importance that the parents and citizens of Arlington elect to this office only those candidates who will give their full and sincere interests to the problems of our Arlington children. Unfortunately SOME of our PRESENT School Committee members have failed to do this!

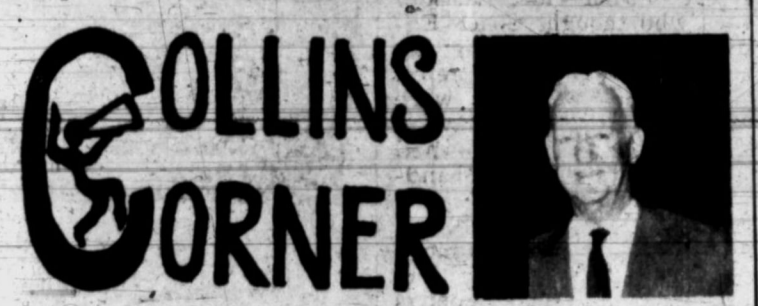

The School Committee candidates if elected, must answer only to the constituents who have placed them in this office. These candidates must not be swayed or dictated by any outside or local groups and organizations regardless of their nature. These candidates must have Arlington children and parents welfare foremost at all times.

I and other parents now beckon candidates with the above qualifications to come forward and be heard. For some candidates, perhaps their message could be conveyed to the public thru this column in our most respected independent community newspaper.

REFRIGERATOR SERVICE for all makes, MILLER & SEDDON, 1075 Mass. Ave. 868-3651

A rather startling cartoon appeared in last Friday's Boston Traveler, with the caption 'You can't pick your relatives, but you can pick your friends', and it shows the Governor kicking State Commissioner of Administration McCarthy out into the cold, with a man named Peter looking over his shoulder.

Now Will Rogers once remarked that 'I only know what I read in the papers', and most folks thought Mr. McCarthy tendered his resignation, and it was accepted. But in politics most anything can happen, and it has been rumored for years that many an appointee signed his resignation when appointed to a job, only the date was left out, and could be filled in any time his employer became dissatisfied with him. And of course it could happen in Towns as well, even Arlington, where a resignation would be accepted, rather than going through the nasty mess of firing the unfortunate one.

A well known major league umpire after 10 years in the big time was fired over the phone late one evening, and he read the next day he had retired. But he always called them as he saw them and continued to call them right by telling the world he was fired, and it caused much embarrassment to the League officials.

So Unions, Civil Service, and Tenure have done much to prevent one being dropped, because some Mr. "Big" didn't like the way he parted his hair.

Mr. McCarthy felt long term planning had been neglected, and said "the longest planning of some workers is what are you going to do after lunch."

And it brings to mind the modern approach of a very prominent citizen of our town when he heard there was a petition being circulated for Sunday Movies, and the year was 1930. It was also the year of the Tercentenary of the Puritans, and the gentleman wrote to the papers, saying—quote—"The Puritans of today should rise up in righteous wrath, and smite the desecrators of the Sabbath Day. What was good enough for our grandfathers is certainly good enough for us." Then he seemed to mellow a bit as he rambled on in his writing, and said that if we have Sunday Movies it might keep the delinquents in Town, instead of them migrating once a week to Cambridge, and quote—"because as everyone knows Cambridge is a very wicked city." Well sir, hundreds of Cantabrigians rose up in their righteous wrath and cried "foul" because they said Cambridge was a city of culture, and churches, and was known all over the world as the home of three wonderful colleges.

But the Puritans won out, and it was some years later before the voters gave their O.K. for the Theatres to open on Sunday. In the meantime Sunday sports were allowed here, and the Sabbath today is almost like any other day in the week, except that more folks go to church than ever in the history of the town, and our delinquents don't have to go to that "wicked" city just beyond Alewife Brook on Sunday afternoons.

Now for those that haven't heard there is a football game next Sunday out in California which is the greatest take-in since Lady Godiva rode the white horse. But no matter how great it will be nothing will ever take the place of what the writer feels is the top sporting T.V. program of all time, and that was the hockey game in which our American Olympic Team beat Russia. This victory was much more to Americans than millions realized. It was more than just a game.

PROCLAMATION

WHEREAS, birth defects are the second greatest cause of death in the United States, and

WHEREAS, hundreds of thousands of surviving birth defect victims are doomed to a lifetime of physical and mental disability, and

WHEREAS, birth defects impose staggering emotional, social and financial stresses on the family and the community, and

WHEREAS, the March of Dimes is conducting a national education program aimed at protecting the health of mothers-to-be and their babies through prenatal care, and

WHEREAS, a network of March of Dimes-supported centers is providing improved treatment for birth defect patients, and

WHEREAS, March of Dimes research grants are enabling scientists to learn more about birth defects, and

WHEREAS, individuals can play an important role in the control and prevention of birth defects by supporting the March of Dimes,

NOW, THEREFORE, We, the Board of Selectmen of the Town of Arlington, Massachusetts, do hereby proclaim January, 1967, as March of Dimes Month, and call upon all citizens to contribute generously in this campaign to fight birth defects, a terrible menace to the health of our children.

To the Editor:

Last week 557 residents and members of the Armed Forces in Greater Boston took time out from their busy holiday schedules to donate a precious pint of blood at the Red Cross Holiday Donor Center in downtown Boston.

These donations were made in response to a special appeal to meet a shortage of blood, which often becomes critical during this long holiday season.

The fact that 207 were "first-time" donors clearly indicates that they responded because this critical need was made known through newspaper support.

We are truly grateful for your long support of the Red Cross Blood Program, but I wish to express a special thanks for bringing this holiday appeal to your readers. I wish also to thank again those of your readers who gave the meaningful "Gift of Life" at this time.

Sincerely yours,
Dr. Joel M. Johnson, Jr.

Parking in Arlington - Who needs it?

Mr. Menotomyman, if you can answer that question then you may have all the answers.

In the past decade, the Town Fathers have added parking "slots" behind the Arlington National Bank, in the old Russell Common and improved considerably on the old Municipal lot between Winslow st. and the Boston and Maine property.

Local businessmen, all the while improved their parking facilities, and there were all kinds of spots for the local shopper to place his car while visiting Menotomy Center.

So much space, in fact that there now appears to be more parking than cars.

Now, it looks like we're going to have still more parking.

Town officials have asked that part of the Town Green behind Robbins House be torn away, and parking spaces be chiseled out of the area.

Year of Growth

The year 1966 was a year of "growth and progress" for the main office and Lexington office of the Arlington National Bank and also the Bedford office, which opened Feb. 1, 1966. It was reported by bank President, Karl E. Weiss, that the bank has reached new levels of deposits, earnings, and total resources.

The annual meeting of stockholders was held at the banks main office in Arlington Center, Jan. 9, 1967, and the present directors were re-elected to the Board of Directors.

President Karl E. Weiss in reviewing the achievements of 1966 pointed out that total resources of the bank rose to a new high at \$14,157,755, showing an increase over Dec. 31, 1965 of \$384,666.

The U. S. Government Bonds holding of \$2,398,463, shows an increase of U. S. Government Bonds holding of \$791,000.

At the regular meeting of the Directors, Jan. 9, 1967, following the annual meeting of the stockholders, the new directors elected for the year 1967 voted to declare the regular dividend of 4% to the stockholders of record as of December 31, 1966 payable Jan. 16, 1967.

President Karl E. Weiss stated that to meet the rising tide of competition and to better serve its customers in an expanding market, a new office in Bedford was opened and approved by the Comptroller of the Currency on Feb. 1, 1966.

President Karl E. Weiss expressed gratitude to the directors, stockholders and staff for their help in making possible the successful results during the year 1966. He also stated that the bank is looking forward optimistically to 1967 in the development of continued growth, strength and prestige of the Arlington National Bank.

Candidate

Werner Carlson this week announced his candidacy for Assessor in the Town of Arlington in the following letter:

Werner A. Carlson, Jr. announces his candidacy for the office of Assessor.

Mr. Carlson is married to the former Elina Eliasson of George Street, Arlington, and they have two children and reside at 19 Washington Avenue.

He has been a Town Meeting Member from Precinct 13 for the past four years and has served as Precinct Secretary for the past two years. He was a member of the 94th Troop Carrier Wing in Bedford, Mass. for 5 1/2 years, during which time he was selected Airman of the Year in 1961 for the 94th Supply Squadron.

To further his education, to be aware of the changes in the housing industry and to supplement his practical knowledge of the real estate market, Mr. Carlson has attended the University College of Northeastern University for the past ten years. This June he will receive a B.S. Degree in Business Management, majoring in Real Estate.

In announcing his candidacy, Mr. Carlson made the following statement:

An Assessor must be qualified to appraise every type of property, have knowledge of current building costs and be able to devote as much time as necessary to carry out its duties. The desirability of Arlington as a residential town must be maintained. It is very important therefore that it's assessing practices be fair and equitable to all. Being self-employed and having practical as well as academic knowledge in real estate, I believe I can best serve Arlington as an Assessor.

In the coming weeks, I propose to introduce some major changes in the current assessing practices. These changes will protect all property owners.

I ask the voters of Arlington to elect me their next Assessor and all those interested in supporting my campaign are invited to do so.

Sincerely yours,
Werner A. Carlson, Jr.

— The Arlington Chapter of Great Books Discussion Groups, led by Mrs. Charles Woodman of Arlington is now starting its mid-season drive for new members. The drive is being launched at a Great Books Get-Together to be held at the Boston I. Sherman Union, 755 Commonwealth ave., Jan. 22, at 3 p.m.

SCHOOL and SPORTS

By Hal O'Brien
Last week the local teams had quite a winning week. Arlington Catholic won three basketball games in a row and the hockey team won its game.

The Arlington High athletes had a banner week with the varsity hockey team turning in a pair of shutouts, the track team won its first meet of the season and the basketball team won one and lost one as the New Year started.

Tonight's hockey game with Medford High should be a good one. Medford Coach Peas Brady has been pointing

his Mustangs for this game since the start of the season. A win over Arlington for the Medford club would be like winning the State Championship for the boys from our neighboring city.

Face off at the Arena should be promptly at 8:30 p.m. as Boston State faces Ithaca College at 8 p.m. Tom Shaughnessy and Paul Daviau, former A.H.S. hockey players are on Coach Barry's Boston State squad.

Joe Namath the former Alabama great and present New York Jets quarterback will headline the New England Sportsman Show at the Boston War Memorial Auditorium from Jan. 28 to Feb. 5.

Arlington has one player on the number one college hockey team B.U. Charlie Morgan. Bob Crocker formerly of Arlington is Coach John Kelley's capable assistant and B.U. frosh hockey coach.

Hustling Buddy Clarke had the winning goal for B.C. as the Eagles downed Clarkson 6-5 Friday night. Buddy missed the net several times earlier in the game but his goal in the final period was the clincher.

Tonight at the Touchdown Club meeting, John Ahern the well known sports columnist will be the principle speaker.

Saturday night the track buffs will be at the K of C track meet at the Boston Garden. This is the 41st meet the K of C has conducted. The B.A.A. conducts the only other indoor meet in Boston during the track season.

Munroe Hale father of Glen Hale football and hockey player at Arlington High directed the freshman hockey team to a 3-3 tie against the Jr. Varsity hockey team while Coach Ed Mahoney was in Florida. Could be Glen gets some of his athletic ability from Dad.

A former local baseball favorite Bill Mombouquette once with the Red Sox, now with Detroit will have a former Boston Braves favorite Johnny Sain as his pitching coach this season.

John after many winning years as a pitcher coached the pitchers for the Yanks and Minnesota before joining the Detroit Tigers this year.

Mombo did not have a good season. He usually works out with Jimmy Driscoll at the Tufts cage before reporting for spring training. Local big league baseball fans would like to see both Driscoll and Mombo have good seasons this year.

For those who follow the horses there will be a bus running to Lincoln Downs starting Jan. 28 which is just over two weeks away.

Tom Apprille's South Boston High team lost its first hockey game 8-2 to Charlestown. Jackie Canniff's Gloucester hockey team, along with Marblehead, Melrose, Needham and Auburn are in the same class as Arlington.

The Somerville hockey fans who thought Coach Eddie Burns was allowing his team to run up a big score on their club Wednesday were strangely silent Saturday as the Somerville team downed Rindge which was short handed 14 to 5.

Wonder how a coach can stop a team from scoring in a certain game after he has spent weeks and months teaching the boys to do just that.

Knowing both coaches I don't think either one would try to humiliate any one.

Somerville coach John (HY) Hurynowich is a local businessman operating the Security Fence Erecting Company on Brattle St. and does not have the hockey talent at Somerville he deserves.

No group of boys ever conducted themselves any better on or off the football field than the local football team did on their recent trip. Their perfect conduct drew many fine compliments from all they came in contact with.

The parents, the teachers, the coaches should be mighty proud of these youngsters who conducted themselves as gentlemen at all times.

If the rest of the Arlington youth did half as well we would not hear and read all the reports about juvenile delinquency going on locally. Boys in Sports keep out of courts and know how to behave themselves both home and away.

Since returning from Florida Bob Havern has gone on a scoring spree. Both is back in the G.B.I. scoring with 19 points three behind the league leader Edgar Bastarache of Waltham.

Brian Curry of Stevens Terrace the captain of the Xavier hockey team is leading his league in scoring with 19 points. Freshman center John Coleman of Arlington Catholic is only two points behind Curry with 17 points and former Arlington High great Art Chisholm is the leading scorer in the Mass Amateur league.

Art plays for the Framingham team coached by Dick Havern (uncle of Bobby) who was a great high school player and a member of the Arlington Arcadians when they were one of the best amateur clubs in the country.

Don't forget to watch the Super Bowl game this Sunday. After this game the Pro Bowl game the following Sunday winds up the T.V. football season.

DARTMOUTH CLUB

Mrs. Claude M. Sweet of Arlington will assist Mrs. Gleason of Winchester, as hostess at the monthly meeting of the Dartmouth Women's Club, Brookline, Jan. 18.

Leash Law

Dog Officer Sam Femia told this paper this week that six alleged violators of the "dog leash law" are scheduled to appear in court on Jan. 19 of this month.

Femia also stated that there are 25 dogs under surveillance at the present time, and that the owners of these dogs have already been sent a warning.

"If some of these dog owners keep breaking the leash law, I will have to be in court every day so I will have to ask for more help and that will cost the town more money to enforce," Femia stated.

"A dog doesn't have to be one-half mile away from his home to break the law, just ten feet off his owner's property is enough," Femia concluded.

Following is a copy of the second warning sent to residents in connection with alleged violations:

SECTION 10 of Article 12 of the By-Laws of the Town of Arlington entitled "Leashing of Dogs" provides in part as follows:

"That any owner or keeper of a dog in the Town of Arlington, which is not on the premises of the owner or upon the premises of another person with the knowledge and permission of such person shall restrain such dog by a chain or leash not exceeding six feet in length.

"That any dog found to be at large in violation of this by-law shall be caught and confined by the dog officer and shall be returned to the owner only upon fulfillment of certain requirements; and

That the dog officer shall enter and prosecute a complaint against the owner or keeper of any dog taken into custody under this by-law."

Despite the provisions of the aforesaid by-law, your dog has been found to be at large in violation of the said by-law and you are subject to prosecution for failure to properly restrain your dog.

This is to advise you that if your dog is found again at large, I shall enter and prosecute a complaint against you in the Third District Court of Eastern Middlesex, East Cambridge, Massachusetts, for violation of said by-law.

Annual Meeting

Dr. Scannell
The Arlington Visiting Nursing Association will hold its Annual Meeting at Robbins Junior Library Hall, Jan. 27, at 1:15 p.m.
Guest speaker will be Dr. J. Gordon Scannell, Visiting Surgeon at the Mass. General Hospital where he performs Cardiac and Chest Surgery and is Chief of the Thoracic Service. He is also an Asst. Clinical Professor of Surgery at Harvard Medical School.

Dr. Scannell spent the Winter of 1964-1965 aboard the S. S. Hope in French West Africa.

The topic to be discussed will be "The Hope in French Speaking West Africa."

Mrs. Charles L. Bankart, president of the association, will conduct a brief business meeting before the program.

Coffee will be served by Mrs. Allan Button, hospitality chairman, assisted by Mrs. Howard Ensor, Miss Elizabeth Cobb, Mrs. Joseph Barbone, and Mrs. Norman Hasler.

WARNING

The warm weather is very dangerous for skaters.

In a town such as Arlington where there are large bodies of water such as Spy Pond and the Mystic Lakes close at hand, it is indeed a temptation for youngsters to try their luck on the blades whether the ice be thick or thin.

Safety Officer Arthur Guarante urges all local parents to make certain they know where or when their youngsters are skating.

nual reception to New Members and Social at the Knights of Columbus Hall, Jan. 18.

Betty Nelson who has spent many years in the book field. Summer Stock and has acted as a dramatic coach for both radio and television will comment on the "Lost Art of Reading for Fun".

Mrs. Cornelius Collins, Chairman will be assisted by Mrs. Joseph Trainor, Mrs. George Lally, Mrs. Oliver Julian, Mrs. Thomas Heaslip, Mrs. Gerald Kennedy, Mrs. Joseph Cunha, Mrs. Frederick Herzog, Mrs. George Remmert, Mrs. Alan Igo and Mrs. John Solo.

Glynn

(Continued from Page 1)

ing many missions, he came home to his wife, the former Carolyn Fawcett of Arlington. By that time, the Glynn's had two babies, Elaine, one year and a new born infant. "Home" was now MacDill Air Force Base at Tampa, Fla., where the young officer and his wife had purchased the home where they still live. From January to August, 1966, Larry was an instructor of MacDill. He was reassigned to Viet Nam in August, 1966, where he is still carrying out the "dangerous missions" which he believes to be his duty.

Larry Glynn came to Arlington at the age of three. He attended the Crosby school, Junior High East, and was graduated from Arlington High School in 1957, and five years later from B.U.

Larry was a Cub-A Boy Scout and a Lad of Sir Galahad in the Church of Our Saviour (Episcopal). He lived at 15 Cleveland st. with his mother and step-father, Mr. and Mrs. Charles Lowery. An important influence in his life was his grandmother, Mrs. Anne Wells who still lives at the Cleveland st. address, although his parents have moved to Norwalk, Conn.

Lawrence Glynn didn't have much time for extracurricular activities, because he had a goal. He knew if he wanted a College degree he would have to work for it. Lawrence is a paper boy, he was seen many jobs around town—the gas station, drug store—and later at the Air Port. He always loved planes and motors. He could strip down a car engine and re-as-

semble it. Once he built a whole motor from scratch.

Recommended for several honors and medals, Lt. Glynn prefers not to mention these until they are a reality.

After completing more than seventy five missions, Larry is expected to be home within a month or two.

Arlington is proud of this dedicated, courageous young pilot. We pray for his safe return, we need men at home too; like 1st Lt. Lawrence J. Glynn, Jr.

Red and Gray Jottings

by Anne Pidano and Jean Eriandson

Starting the New Year off right, many clubs and organizations, are planning new projects for the months ahead.

To begin with Allied Youth held its annual night meeting, Jan. 5, featuring Dr. Roens, Supt. of the Arlington school system, as the guest speaker of the evening.

Using his stay in Russia as the topic for the meeting, Dr. Roens commented on Soviet methods of education. Comparing American and Russian schools, it seemed that despite classroom and laboratory equipment inferior to ours, the people of the Soviet Union are making great strides in educational programs. Slides were also shown to supplement the speech.

Next on the agenda for Allied Youth is a dance, the third of this school year. It will be another "stag" dance because of popular opinion, the results of the previous dances, and a questionnaire distributed to the members of the group earlier this year.

One of the most attention-getting events at Arlington High all year is the Allied Youth auction. Plans are just starting to crystallize but if

they follow the pattern of last year's auction a lot of fun can be expected. A few of the choice objects auctioned off in the past have been trips to coffee houses, old magazines and rocks from the Science department.

Imagination is running high in the Arlington High school Student Council this year. No sooner had we recovered from the Computer Dance than the idea of a "Battle of the Bands" was sprung on us. Considering the talent of various local bands featured at dances around town, this should be a real success. With such an active Student Council the whole school should follow their lead.

Seemingly hiding their oratorical abilities, the Debating Club members have been tacitly enjoying their organization. The A.H.S. Debating Club, a division of the North Shore League, is itself divided into two sections. The novice group is for the less experienced and less rhetorical members of the club while the senior participants are more practiced in their art.

At a recent meeting of the Arlington Lions Club the club was honored by having four of the five district governors of Massachusetts Lions in attendance.

They came to pay honor to a former Arlington boy Joe Fullam, who now resides in Marshfield and is District Governor of District 33-S.

President Dick Sanborn of the Arlington Club presented Governor Joe with a lions desk set as a memento of this most unusual occasion.

District Governors in at-

tendance were Ken Hedstrom, 33-A; Jim Jimoulis, 33-K; Russ Perry, 33-N; and Joe Fullam, 33-S.

Arlington can be justly proud of Joe Fullam, District Governor of 33-S, Dick Sanborn, President, Arlington Lions Club and Rep. Greg Khachadorian, 1st Vice President, all graduates of Arlington High school.

Pictured above are left to right, Ken Hedstrom, Joe Fullam, Dick Sanborn, Russ Perry, and Jim Jimoulis.

At March Of Dimes Dance

The Hombres, dance group which will provide the music for the March of Dimes Dance at the Arlington Town Hall, Jan. 28.

The Arlington Young Adult Committee for the March of Dimes is glad to announce that last year's dance sent more than \$300 to the March of Dimes Foundation.

Like the March of Dimes Foundation, they didn't quit when successful.

After many contributions and much hard work, they were finally able to conquer

the dreaded killer known as Polio. They are now working even harder to fight birth defects. We, too, are working harder to go way over last year's total.

This year's dance will be held Jan. 28, at 8 p.m. in the Arlington Town Hall. Tickets will be sold in the homes of the high school. The dance will include door prizes and the fabulous music of The Hombres.

The third round of the Pee Wee - Bantam Hockey season of 1967 sponsored by the Park and Recreation Department, was played at the M.D.C. Rink, Rt. 2, Jan. 7.

The Bantam Red Wings chalked up their second win of the campaign as they edged the Maroons, 1-0 in a game which saw Ron Crescentino turn aside a barrage of shots by the Red Wings in the Maroon net.

Larry Prior scored the only goal of the game after stealing the puck in the offensive zone and firing the disc into the top left hand corner of the net.

Red Wing forwards Bob Hutton and Mark Mulcahy carried the attack while Bobby Bibeau performed well for the Wings in defense of goalie Rich Amico, who turned in the shutout in the nets.

The Maroons were denied on two bids that hit the goal post but in general were out skated and out played.

Bruins Romp

Skating to their second win after an opening game tie, the Bantam Rangers downed the Canadiens, 4-1 in the featured game of the program.

Richie Kruezer opened the scoring, on an assist from Dave Geldart, for the Rangers.

Curt Brown, hustling Ranger forward, scored twice within a minute, both on unassisted efforts in the Cana-

dien end, for the margin that decided the contest.

Ken Duffy scored for the Canadiens as he skated the length of the ice and beat the goalie at the 20 minute mark.

Three minutes later Richard Longmire rapped in Jackie Hurd's rebound to make the final tally 4-1 in favor of the Rangers who are yet to be defeated in season play.

The Bruins posted their third consecutive shutout in Pee Wee action handing the Rockets their first loss by a 5-0 count.

Once again smooth-skating Jeff Corbett paced the Bruins as he scored three times and was thwarted several other times on good saves by Ron dePari in the Rockets net.

Fred Eromin added a goal and an assist for the high-flying Bruins. Dan Shine finished the scoring on an assist from Paul Nelson.

Jackie Kiniry and Charlie Osborn skated well for the Rockets who now have one loss, one win, and a tie.

In the final game of the day, the Black Hawks scored their first goal of the season, but made it stand-up for their first win, 1-0, over the Maple Leafs.

Paul Coleman scored the goal on a breakaway, skating from his own zone to ram in the puck. Steve Gould and Mike Villandry played well for the Black Hawks.

Although unable to score, the Black Hawks were paced by Steve Villandry, Mike Shea, and Joe Jordan.

One Olympic sport the ancient Greeks never participated in is the biathlon. A combination of skiing and shooting, it was introduced into the Olympic Games in 1960. Each participant must shoot on four rifle ranges as he skis over a cross-country ski course 12.5 miles long.

Don Frye, Swimming Director at the Arlington Boys' Club, announced that a Scuba and Skin Diving course will begin Jan. 12, at the Club pool.

The instructors for the course, along with Don, will be Tony Seminara and Jim Sullivan.

Both these men are members of the Mass. Dolphins, a very active and highly skilled Scuba Club of Boston.

There will be eleven hour sessions for a total of 22 hours of instruction. In addition to one hour of pool experience, one hour of classroom work that will cover diving philosophy, slides, care and maintenance of equipment and general diving theory will be necessary.

There will be no charge for the course, however, the boys will have to supply their own mask, fins and snorkel.

A few openings are still available for the first session. A second course, covering the same fundamentals, will be offered in late March and

those interested may contact the Boys' Club.

Boys who have signed up to date are: Fred Pratt, Paul Brennan, John LeClair, Allan Bankart, Paul Collins, Peter Marino, Mike Ofria, Kevin Sullivan, Robert Davis, Jack and Bob Deasy, Jerry Downing and Ed Sabol.

Cooking class for boys 8-12 yrs., will be held at two different times on Saturday due to the tremendous interest in the program.

The first class will be held from 10 to 12 Noon, with the second class running from 1 to 3:30 in the afternoon.

Both classes are full but those boys wishing to sign up for the class beginning Feb. 11, may do so any day at the Club. Registration will be on a first come, first serve basis.

Future chefs who have signed up include: Mark and Michael Kerivan, David Richard, Russ Sample, Everett Murray, Bradford and Donald Smith, Fred and Kevin Sennott, Michael Carney, Steven Doyle, Kevin Farr, Norman Magnuson, Walter and Lawrence Cronin, Stephen and Anthony Tahmash, Kevin Torsey, John Ehlers, Allan Haxton and Jim Kelley.

ST. EULALIA BOWLING

The Dragons and the Hot Shots continued their close battle for first place in the St. Eulalia Bowling League at the start of the new year.

Meanwhile Irene Tarallo had a high single of 98 for the women and Lester Lamb a 122 for the men.

The same pair had high triples of 284 and 320, respectively.

Girls' Basketball

Arlington High Schools girls' basketball team romped to easy victories at the varsity and junior varsity levels, defeating Newton South last week.

The varsity, with three girls scoring in double figures picked up a 54-25 victory, while the J.V.'s put together a 25-5 win.

Capt. Donna Manderino sparked a stalwart Arlington defense allowing but 12 points over the first three periods including but three in the third period, when they outscored the losers 17-3.

Three sophomores, Abruzzese with 18 points, Barnaby with 16 and Getrost with 14 sparked the Arlington offense.

Debbie Getrost and Nanci Mahoney were the play-makers for the Arlington team setting up many of the Arlington points.

Mary Heffernan played well on defense in her first game for the locals.

After the two teams were tied 4-4 in the opening seconds, Arlington moved out front easily and was never headed.

Pat Santo scored 10 points to lead the J.V.'s to their 20 point win.

The Crosby Royals started off with a win over the Hardy 76'ers 35-24 with Gregory Papazian (12 pts.), Joe Barinelli (7 pts.) and Paul Culhane (6 pts.) leading the way.

Dave Thomas (12 pts.) and Don Shirley (7 pts.) played well for Hardy. Lawrence Nigro (18 pts.), John Ferriani (8 pts.) and Mike Barry (6 pts.) led the Thompson Patriots over the Cutter Lakers 42-9.

J.V.'s Beat Waltham

Coach John Byrnes AHS Junior Varsity hockey team opened its season with an 8-1 win over Waltham at the Boston Arena as the J.V.'s league was established for the G.B.I. teams.

Tony Lyons with three goals was the games top scorer as the Arlington J.V. team scored in every period with four goals in the opening period and a pair in both the second and third.

Ken Donnelly had two goals and Bernie Quinlan and Art Boghosian a goal each.

Dave Lennon had an easy time in the nets as the Arlington forwards kept the play in the Waltham end most of the game. Tony Lyons and Bernie Quinlan and several of the other players were very impressive in their passing and checking and are awaiting a call from Coach Burns of the varsity should one of the boys on the varsity be injured or be off his game.

David Krummel (8 pts.), James Butler (8 pts.) and James Papa (4 pts.) led the surge for Parmenter.

Bill Dwyer (16 pts.) started the Peirce Knicks back on the championship trail as they beat the Stratton Celtics 40-5.

Steve Doyle (8 pts.) and Ed Strob (4 pts.) helped Peirce while Mark Santini (4 pts.) played well for Stratton.

Brian Driscoll (17 pts.), Paul Nelson (7 pts.) and Dave Pomeroy (6 pts.) led the Locke Warriors to their first win over the Brackett Nationals 34-4.

The St. James Cardinals started off the season with a win over the Dallin Pistons 23-15.

day in the nets as the Arlington J.V. team shut out Newton 4-0 for its second win. The Newton goalie played sensational hockey in the opening period as he repeatedly turned hard shots from the Arlington forwards. Neither team was able to score in the opening period.

A hard shot by Tony Lyons early in the second period gave the local team its first score.

Art Boghosian also scored in this period. With the score 2-0 starting the third period the Newton team kept rushing up the ice when they had the puck only to be kept from scoring by the fine defensive play of Charlie Harrington, Steve Hoar, Mark Messina, Dave Brine and Pete Flanagan.

Bernie Quinlan and Ken Donnelly had scores in this period.

The boys have a game scheduled with Cambridge Latin this week.

Post Office to Add More Zip

The Post Office Department will add more ZIP to parcel post service when new rates go into effect Jan. 15, 1967.

The extra ZIP will come through the use of ZIP Codes to determine zone rates.

The first three digits of the ZIP Code number will reveal the zone and will thus speed rate determination. This replaces a system whereby a directory often had to be consulted for the zone of each post office.

The rate increases will average about 10 cents a parcel. The increases were provided in Public Law 89-593, signed by President Johnson Sept. 20, 1966.

The law also provides size and weight increases in a series of five annual steps beginning July 1.

The zone rates will be based on the distance a package travels between sectional centers. The first three digits of the ZIP Code identify the sectional center, of which there are 552 in the country.

The new zone charts require less than a page to locate the zone for each post office. The method will also simplify mailing parcels at the nearly 100 self-service units now in operation throughout the country. With the recipient's ZIP Code on the address, a mailer can consult the zone and rate charts to determine the amount of postage needed. If the mailer doesn't have the ZIP Code, he can consult a ZIP Code directory that will be available at all of the self-service units.

Because of its simplicity, the new zoning method is expected to increase the use of ZIP Code on parcel post. Usage is presently running about 60 per cent.

First Postage

The new rates will range from 40 cents for local delivery to 80 cents for eighth zone delivery on a two-pound parcel. The eighth zone is more than 1,800 miles from the point of mailing.

Packages shipped between post offices within the same sectional center are charged the first zone rate.

The first package weight increase will become effective on July 1, when 25 pound parcels will be permitted between first-class post offices now restricted to 20 pounds. Other steps will increase the size and weight restrictions until July 1, 1971, when a 40 pound, 84 inch maximum will be authorized between first-class offices.

At present, 20 pounds and 72 inches are the limits in sending parcels between first-class offices more than 150

miles apart, the weight limit is 40 pounds.

Shipments to or from second, third, and fourth class post offices are not affected by the size and weight provisions of the law. The limits on these shipments are 70 pounds and 100 inches.

Air parcel post, catalogs and publishers who pay zone rates on the advertising portion of their periodicals are also affected by the new zoning system.

Based on volume for Fiscal 1966, the new rates are expected to produce about \$74 million in additional revenue annually. The eventual size and weight liberalizations are expected to net another \$32 million annually. The changes were aimed at bringing the Department's fourth-class mail revenues within four per cent of parcel post costs as required by law.

Outstanding

William J. Donahue, 2 Walnut ter., was recently given special recognition for outstanding service at a year-end ceremony by Standard Duplicating Machines Corp., Everett. The Standard organization pioneered and still makes spirit duplicators.

It has been the custom at Standard, upon completion of 10 years of service and every five years thereafter, to award gold label emblems with a diamond inset and bearing a numeral indicating the number of years of service.

Mr. Donahue is Assistant Treasurer of Standard and keeps a watchful eye on the bookkeeping operation. He has 20 years of noteworthy service to his credit and was awarded a 20-year emblem.

The official year-end company proclamation extended congratulations to all award holders and conveyed a message which sums up the significance of this ceremony. "Standard is proud of you and proud of what this impressive record of experience means to everyone in the form of a respected corporate image. It is the finest assurance we can have for our own collective security in the years to come and certainly the best guarantee for the production of quality products."

Over 800 millions of the world's more than one billion children need UNICEF's aid.

Discuss Suburban Housing

The need and possibilities for low and moderate-cost housing in suburban communities was discussed by clergy of various faiths and other interested Arlington citizens at a recent meeting held in the Calvary Methodist Church.

A panel presentation was made by Joseph Martorana, Director of WEMBROC (Western Metropolitan Boston Regional Opportunity Council), Malcolm E. Peabody, Executive Director of the Interfaith Housing Corporation and the Rev. Louis Beckwith, Chairman of the Waltham Community Housing Corporation.

The Rev. Wilbur D. Canaday of the Park Avenue Congregational Church moderated the discussion on behalf of the Arlington Ministers Association, which sponsored the meeting.

Mr. Martorana, in assessing the housing needs of the region comprising Arlington, Brookline, Newton, Waltham and Watertown, said that of the 285,000 residents involved

21,000 have incomes under \$3,000 and 54,000 are age 65 and over—one of the highest concentrations of the elderly in the country.

Notes Waltham Units
Mr. Peabody of Interfaith Housing spoke of the need for a well-balanced community offsetting the tendency toward more and more isolation by age and income as well as cultural background in suburban towns.

He also mentioned young couples and older people frequently have to leave the area because of the lack of moderate-cost housing.

There is an increasing trend, he said, toward combined low and moderate-cost developments in the non-profit housing field.

Mr. Beckwith chairs a committee of community leaders of various faiths who are sponsoring a 135-unit development in Waltham with the cooperation of the public housing authority.

He stressed the moral responsibility of churches to concern themselves with housing problems, especially in view of the high rentals recently charged for sub-standard housing. It was explained that the project in Waltham will include apartments for young couples and families as well as for the elderly.

Discussion after these presentations centered on the availability of sites for non-profit or co-operative housing in Arlington, the initial funding necessary pending government financing, and the comparative merits of high-rise and garden-type apartments.

Mr. Canaday was asked to serve as temporary chairman for a continuing exploration of the subject.

Follow the lead of long distance bus drivers and keep your headlights on during the daylight, suggests the Institute For Safer Living of the American Mutual Liability Insurance Company. If you have your headlights on and the oncoming driver happens to be blinded by strong sunlight, he has a better chance of seeing you.

Awards-Grant

Congressman Torbert H. Macdonald, who represents this District, announced the award of a grant under the international education and cultural exchange program to Professor Bertram E. Warren, 71 Chester st.

Prof. Warren, who was a professor at the Massachusetts Institute of Technology, received the Fulbright grant to give lectures on X-ray Diffraction Studies of Non-Crystalline Matter at the College of France in Paris.

Macdonald said these State Department grants are awarded to the most highly qualified U.S. students, teachers and scholars to enable them to continue their academic or professional studies in a foreign country for periods up to one year or longer.

Macdonald stated it is gratifying that so many outstanding Americans are contributing to the exchange program and that he is deeply pleased that Prof. Warren has been chosen to join this distinguished group.

Bank Report

Milton Adess, President, Coolidge Bank and Trust Company of Watertown and Cambridge reports the Bank's after tax earnings in 1966 on 106,000 outstanding shares of \$3.02 per share compared to \$1.89 a share on 100,000 shares in 1965 or a 56 per cent increase.

Total deposits on Dec. 31, 1966 were \$19,445,386, an increase of 35 per cent from \$14,338,263 a year ago.

Loans at the end of 1966 of \$13,593,332 showed an increase of 31 per cent over the 1965 loan total of \$10,392,536.

Assets of the Coolidge Bank increased from a 1965 year end total of \$16,376,307 to \$21,877,120 in 1966 indicating a 34 per cent increase for 1966.

After tax earnings increased from \$188,844 in 1965 to \$319,729 at the end of 1966, thus showing a 69 per cent increase for the past year.

Appointed

George J. Whalley, 114 Newport st., has been appointed Personnel Director at Boston's Museum of Science. It was announced today by Museum Director Bradford Washburn.

Whalley is a graduate of Boston University School of Public Relations and later studied job placement and vocational evaluation at New York University. Before joining the Museum staff, he directed a personnel placement program for the Easter Seal Society.

He is a member of the Personnel Managers Club and the Personnel and Guidance Association, and serves on the Boston Mayor's Committee for Employment of the Handicapped and the President's Committee, Employment of the Handicapped.

Whalley is the son of George Whalley, 71 Menotomy rd. He is married to the former Edith M. Logan of Belmont. Their five children—four sons and one daughter—range in age from two to 13.

The fast-growing science museum, which only a few years ago was a tin shed on the banks of the Charles River, is now a six-acre complex with an east wing, central building, planetarium, and fledgling theatre of electrical science. It is visited annually by half a million people.

An eight million dollar campaign now underway seeks to build a new west wing and related parking structure to accommodate twice as many visitors, three times as many exhibits, and close to 1000 vehicles.

To keep the active educational and exhibits program up to the high standards that have earned this science center a worldwide reputation, the Museum has a staff of close to 150. They include

A.C.H.S. Stays Close To Leaders

Coach John Carney's Arlington Catholic High hockey team remained in a tie for second place as it topped Sacred Heart of East Boston 6-1 Sunday afternoon at the Arena.

John Coleman, freshman center for A.C., scored the first goal at 2:27 on a fine pass from brother Don to open the scoring.

Gary McEachern scored unassisted when he went from his own blue line after breaking up a Sacred Heart rush and shot from 10 feet out to put A.C. out in front 2-0 just before the first period ended.

John Coleman scored the third goal of the game when he picked up a loose puck near center ice at the 48 second mark. There was no assist on this goal. Phil McDougal scored at 3:22 with Larry Babine and Jim Mansfield getting assists.

Paul McDonald, the Sacred Heart center, took the puck after the "face off" which opened the third period and beat A.C.'s goalie Ralph Quanci for his team's only tally.

Bob Shea took a pass from John Coleman near the blue line and scored at 1:27.

Shea scored the final goal of the game—unassisted at 5:26.

Sunday afternoon at 2:15 A.C. will play Newman High at the Arena.

Recently-elected treasurer of the freshman class at Lasell Junior College, Auburndale, Mass., is Cynthia Dowd, 111 Park ave. She is the daughter of Dr. and Mrs. William A. Dowd, Jr., and a graduate of Arlington High school. At Lasell, Miss Dowd is majoring in Child Study.

Broderick's Boys Win Three

After dropping their first five league games Coach Bill Broderick's team has won three in a row.

Catholic ran up its biggest point total of the year as it defeated St. Mary's of Waltham here last week, 11-5. Catholic scored 23 points in the opening quarter as it held the visitors to eight points.

At half-time the score was 6-5 in favor of the local team. It was 8-37 at the end of the third period with 11-51 the final score. John O'Brien with 28 points, Fred Martucci with 26 and John Ryan with 12 were the only boys in the double figures.

Jan. 4 at Mission High in Roxbury the Arlington Catholic team won its second game of the week defeating Mission in a game that was close until the final period. Arlington Catholic trailed by one point 14-13 as the first period ended and by two points at half time when the score read Mission 27, A.C. 25.

Good shooting from in close by John O'Brien in the third period enable A.C. to go ahead 45-42. The final score 53-52 with John O'Brien having 30 points for the night and Capt. Fred Martucci with 17.

Sunday afternoon the St. Mary's of Lynn club fell before the A.C. team 68-58 in a game which saw A.C. leading in every period.

A.C. outscored the visitors 17-12 in the opening period and had a 34-30 lead at half-time.

It was 49-42 at the end of the third period with the final score 68-58. Capt. Fred Martucci had a real hot day scoring 42 points, 17 field goals and eight points from the foul line.

John O'Brien had another of his good days scoring 19 points before he fouled out in the last period.

A.C. plays Columbus and Cathedral away this week before meeting Don Bosco here at the Arlington Catholic Friday at 8 p.m. Coach Bill Broderick's team is hoping for win number four.

EXAMINATION

Arlington Six Blanks Two Foes

Jan. 4 at the Arena the Arlington High hockey team scored four goals in the opening period, five in the middle period and six in the final one to shut out Somerville 15-0.

At 2:14 of the opening period Steve Donnelly dropped a pass to Bob Havern who registered his first of four goals for the day.

Tim Russell tallied the second goal of the period with Billy Corkery getting the assist.

This was the first goal of Russell's hat trick. John Alessandrini scored goal number three, the first of his three goals with Brian Corkery getting his second assist (he had an assist on Havern's first goal).

Bob Havern also had an assist on the score.

Alessandrini scored again before the buzzer sounded. Donnelly and Havern had assists.

John Alessandrini completed his hat trick (three goals) in the opening minutes of the second period and defenseman Bob Bartholomew and center Bob Havern had the assists. Havern had goal number 6 "Bart" the assist. The second line continued the scoring as Hale scored with assists going to defensemen Billy Corkery and Bobby Bartholomew.

Billy Corkery had the next goal after taking a pass from John Byrne.

The next score came on a fine play as Bob Havern displayed some fine stick handling to tally unassisted, for the fifth goal of the period. At this point Arlington had 11 goals and the third line took over.

With Coach Burns using only his first line when the other boys tired the team continued to score.

At 1:06 Donnelly scored with assists to Bartholomew and Havern.

Hale scored next, the Corkery brothers getting assists.

Russell scored the next two goals. Quinnlan and Lyons getting the assists on the first one and Billy Corkery and Bob "Bart" on the second.

While relieving the third line Bob Havern scored his fourth goal Byrne and Donnelly getting assists.

Tony Lyons scored the final goal and Russell and Quinnlan has assists.

Denis Sullivan the second line center and Bob Bertagna a substitute goalie were the only players on the squad who did not see action, as the reserves played most of the game.

Binkoski replaced goalie Mark Driscoll in the nets midway in the final period.

Bob Havern with four goals and four assists was the game's leading scorer.

Tim Russell had three goals and one assist while left winger John Alessandrini had three goals, as the Red and Gray scored the most goals in any league game to date.

NEW HIGH

Total resources of the Middlesex County National Bank for the year 1966 reached a new all time high of \$141,200,000, an increase of \$7,130,000 over 1965.

Joseph P. Healey, President, reported deposits totaled \$121,005,000 or \$6,100,000, up from 1965. Gross income rose to \$7,537,000, while net income after taxes was \$1,290,000. Net earnings equaled \$5.15 per share as compared with \$4.82 in 1965.

— UNICEF means help and hope for millions of the world's needy children.

Trounce Newton

Coach Hill's A.H.S. basketball team scored in double figures in every period as Arlington downed Newton 76-52 upon returning from the South last week.

Arlington outscored Newton in all but the third period. In the first period Arlington scored early and often to open up a 20-6 lead.

In the second period Arlington scored 17 points while holding Newton to 11 and enjoyed a half-time lead of 20 points.

With the score 37-17 at the start of the second half Newton put on their best scoring attack of the night and outscored the Red and Gray, 19-13.

Arlington had a good scoring fourth period as they scored 26 points while holding Newton to 16.

Capt. John Donovan was the game's high scorer with 29 points.

Dan Reis with 16 points was the only other Arlington player in double figures.

Ginsburg, Cooper, Whittlessey and Casty of Newton were all in the double figures, but Arlington had a 24 point spread when the final buzzer sounded.

Tomorrow night the team travels to Brockton to play the strong Shoe City team.

Another Win

Mark Driscoll chalked up his second shutout in a row and left winger John Alessandrini scored the hat trick as Arlington High's hockey team won victory number three for this season and it's 39th straight league win last week.

John who skated with the third line last season has come into his own as a scorer this year with eight goals to date. His two quick goals in the first period gave Arlington a 2-0 lead and put the game out of reach of Cambridge as the Arlington defensemen kept the Cambridge forwards from getting near the Arlington net.

Alessandrini completed his hat trick by getting his third goal in the second period.

Denis Sullivan and Steve Donnelly had scored to make the final result 5-0.

Bob Havern last years leagues high scorer while only having one goal to date had three assists. Steve Donnelly had a pair and John Byrne and Brian Corkery single assists.

With three wins in three outings the local team is now at the top of the league as Medford was held to a 3-3 tie by Brookline. The game Arlington was scheduled to play against Medford Saturday has been postponed to Jan. 12.

Players on the first professional baseball team—the Cincinnati Red Stockings of 1869—were paid from \$600 to \$1,400 a season.
